

## **Expectations and Rules for Group Classes at EEPA**

We are here to:

1. Have fun and learn together
2. Work hard
3. Be brave and try new things as performers so that we learn and grow

We can show respect for our fellow musicians by:

1. Raising our hands and waiting to be called on by the teacher to speak.
2. Being a good audience member by watching quietly when it is not your turn to be in the spotlight
3. Letting the teacher, guests, or assistants, and only these people, give direction to other musicians.
4. Listening and not talking when the teacher, other adult, or another classmate is speaking.
5. When directed by the teacher, telling your classmates what you liked about their performance.
6. Not touching the piano, other instruments or learning tools unless I am told that I may do so.

So that you may get the most out of each class, please bring the following:

1. A folder or three ring binder for music materials
2. A pencil for marking directions in your music
3. A good attitude and willingness to learn and have fun

We can help make class run smoothly by:

1. Helping to set up and put away chairs, props, or other items used in class, when told to do so by Jamie or other adult.
2. Placing book bags and other belongings in only one place (Jamie will show you where.)

  - With hand sanitizer, rub your hands together until they are dry
  - With soap and water, wash your hands with soap and water as hot as you can stand it, rubbing your soapy hands together for 20 seconds
- I will keep my hands to myself, and not grab at items that others are using.
- When sharing objects such as markers, when finished, **I will place them in the 'dirty' bin to be disinfected.**
- **I will not touch items in the dirty bin**
